

DREXEL NEWS

What's Happening...

It's hard to believe, but winter is almost gone and spring has arrived! Along with the change of seasons, many new events are taking place at The Drexel Group.

Firstly, we have developed an exciting new division. Our new venture is named Drexel Dining. This arena is being spearheaded by Romyne Johnson. We were very fortunate to have been involved with the Governor's Inaugural Celebration as well as involvement with many local country clubs and hotels too numerous to mention.

In addition, we have implemented a new training system. *Previsor* is geared toward clerical testing and training. This gives us the ability to do pre-employment evaluation as well as continuing education. This customized system allows us to enhance our associates skill set with regards to call centers, various billing positions, and unlimited clerical roles.

This spring we will be beginning a radio advertising campaign. This process will be two fold. First, it will allow us to add an additional facet of requirement to afford us a greater pool of talent to provide to our clients. Second, it will demonstrate The Drexel Group to be your total workforce solution. This campaign will reintroduce us as the only vendor needed for light industrial, clerical, management, and dining needs.

Finally, we would like to welcome our new clients to The Drexel Group! Also, we'd like to thank our clients and friends who have been with us for many years. If

you would like any additional information regarding any of our new or existing programs, please do not hesitate to contact me at the office at (717) 730-9841.

Wes Rhubright

The President's Corner

Think spring & finally a new season! Daffodils are around the corner, car washes busy removing the remnants of winter, and daylight savings time has come 3 weeks early. Now is the time to seek out that job / or employee you want. College students, what better time to start looking for your summer job?

For a good job try the DREXEL ADVANTAGE!

Robert Johnson

 **RECIPE**
NEWS

Spaghetti Salad

Ingredients:

1 lb. of spaghetti

2 green peppers, diced

1 package of cherry or grape tomatoes

1 onion, diced

1 cucumber, sliced

1 can of black olives, medium pitted

1 12 or 16 oz bottle of Italian Salad Dressing

1/2 container of Salad Supreme Seasoning

Cook spaghetti as directed on box. In a large bowl, mix full bottle of salad dressing and 1/2 container of Salad Supreme with warm spaghetti & chill for 2 hours. Add vegetables and toss. Cover leftovers with plastic wrap and refrigerate. Great for budget lunches & picnics! Stays fresh for about a week.

Temp World

*The Drexel Group
“opens doors”, but
outstanding
performance
makes careers!*

Welcome to another edition of Temp world, where employees, temporary and internal alike, continue to make their mark with The Drexel Group. Employees are what make a company successful!
